RULES FOR BISQUE STABLEFORD COMPETITION

18 HOLES OR 9 HOLES (2 separate competitions)

1. The competition shall be played over 18 Holes or 9 holes from the yellow tees using full course handicap. It is an individual stableford competition. N.b **If playing 9 holes make sure you know your handicap before starting play**
2. The players have the opportunity to select how they use their handicap allowance. They can use it as normal throughout the round or they can select to discard their handicap shots on a hole(s) that may be particularly difficult at this time of year and add it to one(s) they are finding easier to master. *Please note you cannot use more than 3 of your allocated handicap shots on any one hole. e.g. a player with a handicap of 18 could use 3 shots on 6 holes and play the remaining holes to scratch.*
3. Players **MUST** announce to their marker if they are **NOT** going to use their normal allowance on any hole before playing their tee shot.
4. The competition winners (both 9 holes and 18 holes) shall be the individual with the highest stableford points total.
