GREENKEEPERS ARE GREAT!

Steve, Ben and Nick have done a great job in not only maintaining, but improving the course through another tricky Winter. No doubt there are still some cold and wet times ahead but as we grumbled, paddling through the Winter mud, did we spare a thought for the small but hardy team who had to try and work through those conditions in their attempts to keep the course open so that we may play!

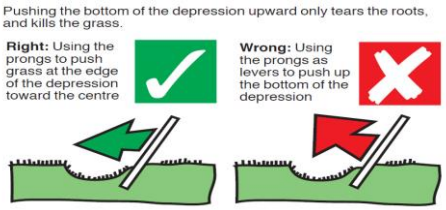

We have all commented on the much-improved quality of the course now that it is drying out and in particular the greens over the past year so let's cut the greenkeepers some slack when conditions prevent them from getting out and weaving their magic.

Did you repair your pitch marks today?

We all moan when we walk onto a green and see pitch marks left by lazy, selfish or ignorant 'others'!

But stop and think before making accusing comments.

Have I repaired all of mine today?

Captain's chat

Well done John

Welcome to a new golfing year from your captain.

Many thanks and congratulations to John for a successful 2024/25 and for raising a huge £3110 for Kangaroos. His energy and enthusiasm will be hard to follow.

We have our usual full programme to look forward to including inter-club matches which I would like to see as many members as possible be involved in, both home **and** away. A 'willing' volunteer is still being sought for the role of Vice Captain. Don't be shy but also don't all crush me in the rush! You will be fully supported by your committee.

Thanks to Stu for organising the PIGS events and to those members who supported him through to the April 'Finale'. Congratulations to Tim O'Malley on becoming the 24/25 Pig of the year.

Good luck to you all his year.

Play hard, play well, but above all, play fair!
