RULES CORNER

Rule 18.2 Stroke & Distance

What to do when a ball is lost or out of bounds.

If a ball is lost or out of bounds, the player ***MUST*** take stroke and distance relief by adding one penalty stroke and playing again from where the previous stroke was made.

Note: This does not apply if the ball is lost in a penalty area.

If you think your ball may be lost, outside of a penalty area, or may be out of bounds, announce and play a provisional ball.

On the course

AUGUSTA EAT YOUR HEART OUT!

The course I am sure you will agree, is in great condition.

The rhododendrons are in bloom, the trees are in leaf, the fairways look great, the greens are recovering from the dry spell, the bunkers are raked and the banks are cut. What more could we ask for?

It's time to put the shorts on and enjoy some Summer golf as you admire your straight shots run an extra 50 yards.

Thanks as always to our greenkeepers who I am sure will be proudly admiring the course with feelings of satisfaction and of a job well done.

Care for your course

Please all try to look after the course by replacing divots, repairing pitchmarks and raking bunkers.

Inter Club Matches

Two good wins against Hollingbury and Wellshurst and a halved match against Cuckfield have seen us off to an unbeaten start. Next match is Home v Horam Park on Friday 20th June. Please sign up on the noticeboard if you are available for selection.

Gilbert Print Plate

Sadly, we lost 3 – 2 to Holtye in round one of the Gilbert Print Plate on 2nd June. A good effort from all involved on a tricky course where local knowledge is worth a few shots.

Summer Knockouts

The competitions are running well and to date so well done and thank you to all for getting your matches played? Keep it up.
