Relief from Abnormal Course Conditions

RULES CORNER

Rule 16 Relief from abnormal course conditions

This rule covers free relief that is allowed from interference by animal holes, ground under repair, immovable obstructions or temporary water.

This includes both the players stance and intended swing.

In taking relief, FULL relief must be taken at the nearest point of relief, not nearer the hole. See Rule 16 for full relief options.

Free relief is not permitted if the ball lies within a penalty area.

NEWS

The new brick patio is complete and looking good. Further work is ongoing around the Clubhouse so please take care and observe any access restrictions.

The Year 2 College students produced a great day with the Vets having secured some excellent sponsorship. This resulted in provision of some fantastic prizes for the competition. Shame about the weather but thank you for your efforts, well done and good luck for your futures.

On the course

WHAT CAN I SAY?

Steve, Ben and Nick – take a bow. **WOW!!!**

Has the course ever looked or played better?

There are some amazing scores being submitted from all sections and particularly from The Golf College who are racking up birdies and eagles for fun.

Keep up the great work and we will try to do it justice!

The greens are now superb following some hard work and a roll.

Please remember to thank the greenkeepers for their efforts whenever you see them.

Please replace divots, rake bunkers & repair pitch marks.

The course is looking great so let's all look after it.
