3rd Graham Gates

Loss of a Legend

Founder & Honorary Member

Very sad to announce the passing of Colin Priestland.

Colin passed away peacefully at home with his family beside him following his long and tenacious fight with illness over recent years.

His funeral will be held at Clayton Wood Natural Burial Ground on Monday 10th November at 12noon followed by a celebration gathering at Lindfield Golf Club.

LINDFIELD GOLF CLUB

VETERANS SECTION

On the course

Who'd have thought following recent Winters that we would be playing in the sun in October?

The greenkeepers are still mowing like mad and rolling the greens. Tree stumps are being removed.

Please keep on thanking the greenkeepers for their efforts and enjoy the bonus golf while we can

Winter rules are now in play so take advantage on the CLOSELY MOWN AREAS **ONLY.**

Please replace divots, rake bunkers & repair pitch marks.

Captain's Chat

Qualifying Competitions

Roger Smith has taken on responsibility for Medal and Stableford sign up sheets, tee time booking and the duty rota. Please contact Roger with any queries regarding these.
Tim O'Malley will set up the competitions on the system, enter scores and send out the results.

Captain going missing

I have the unparalleled 'joy' of serving my public duty on Jury Service for a fortnight from 17th November.
Please raise any issues or queries with committee members during this time. I shall try to avoid being locked up for contempt of court and be back in time for the Turkey trot.

John Franks has kindly offered to take on the Turkey Trot organisation. Keep an eye out for the sign up sheet. This event also incorporates the Summer Presentations.

Rules Corner

Winter Rules (Preferred Lies)

As previously mentioned, Winter Rules are now in play and as a reminder of what you can and can't do under these rules please have a look here **Winter Rules FAQs**

Main Points

You can only use the preferred lies rule on the fairway or closely mown areas.

Your preferred lie must be within 6 inches of the ball's original spot and not nearer the hole.

It is (highly) recommended that you mark your ball prior to moving it.

There is **NO** relief under Winter Rules for a ball in the rough or semi rough.

A ball plugged in its own pitch mark is dealt with under **Rule 16.3b Embedded Ball**
