## VETERANS SECTION

## On the course

So we've made it to December and we're still playing!!

The greenkeepers are still mowing where they can but conditions are turning a bit 'soft'.

Please keep on thanking the greenkeepers for their efforts and enjoy the bonus golf while we can.

If playing in the frost please knock the ice off of your shoes before walking onto the greens. Each step leaves six pitch mark size dents!

Winter rules are now in play so take advantage on the CLOSELY MOWN AREAS **ONLY.**

**Please Please Please replace divots & repair pitch marks.**

Sunny 7th. **November 17th!!!**

Trot & Presentation

With no 'traditional' presentation lunch this year please try to stay on after the Turkey Trot to witness the Summer competition winners receive their prizes.

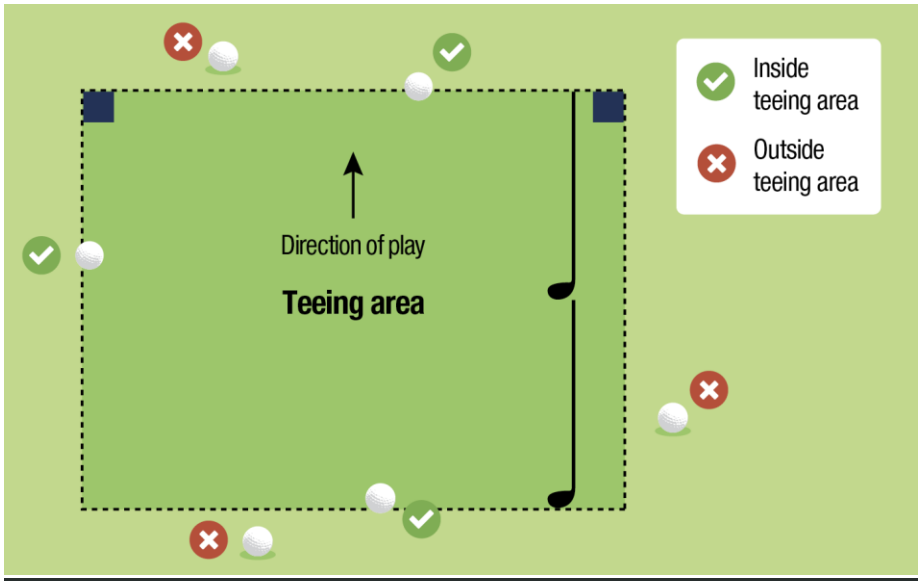

Bunkers

Given that the bunkers are unlikely to receive any attention until the worst of the Winter weather has passed, the are to be deemed Ground Under Repair for all Vet's competitions until further notice.

Relief may be taken in accordance with Rule 16.1b

## *Rules Corner*

**Why do some players try to gain an inch advantage over 300 yards???**
Teeing Area. Rule 6.2b

**Ego or Reputation**

"Some golfers who find themselves routinely cheating may have a hard time admitting they're simply not as good at golf as they believe they are. So they resort to cheating at golf to improve their scores and make themselves (and others) believe that they're as good as they say they are. Cheating provides an easy way to accomplish this goal by taking a few strokes off each hole or game they play." (Deemples .com)
