VETERANS SECTION

On the course

Please be patient with the greenkeepers as they work to recover the greens. Reseeding work has been undertaken and hopefully they will be back to their best soon. The course is looking great resulting in some good scores being returned. Don't forget to thank the greenkeepers for their hard work.

Don't be lazy! Please Please Please replace divots, repair pitch marks and rake bunkers.

Augusta eat your heart out!!

Cyril Blake

A great effort away at Piltdown saw us slip to a narrow 3-2 defeat. We were one putt away from a halved match and extra holes when they drained one on the 18th.
We now face Chichester at home in the Plate competition on Monday 1st June.

College Day.

An excellent day with the College students was enjoyed by 24 Vets after some unfortunate dropouts and despite the inclement but improving weather. A last minute re-jig of some groups (well done John F) while we enjoyed coffee and bacon rolls in front of an impressive prize table meant that 8 balanced teams were competing.
Some excellent scores were returned with the Vets contributing well alongside their College 'Pro' team members.
We often wonder when watching the students tee off, just how they manage to coil their bodies and unleash such power. Playing alongside them doesn't answer the question but to watch in awe as they launched monstrous drives further than most Vets can see and the miraculous recovery if things went slightly awry was a real pleasure as was their company and testament to their coaching.

Five Vets beat the Pro on the 16th and took a couple of balls home while John Franks took the longest drive and Colin Gush was nearest the pin winning a bottle of wine each.
As for the winners, Paul Welch, David Watson and Ian Osborne received a Ping cart bag each after posting an impressive 86 points with two from four counting.

Special thanks go to Cheryl from Busy Bees Nursery for her extremely generous sponsorship and to John Franks and students Harry and Seb for pulling the day together.
