## On the course

It's back! Thanks to some investment in re-seeding the greens are back to their best and the course is in near perfect condition. Let's enjoy it now and get those dodgy handicaps down. Winter will be back soon enough! Don't forget to thank the greenkeepers for their hard work.

**Don't be lazy! Please Please Please replace divots, repair pitch marks and rake bunkers.**

## Captain's Chat

**Cyril Blake / Gilbert Print County Knockout**
An excellent effort from the team saw us to a 4 – 1 victory at Home against Chichester in the first round of the Gilbert Print Plate.

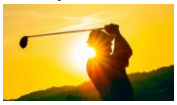

Round 2 saw us travel to Royal Eastbourne where the team put up a good fight despite suffering a 5 – 0 defeat. Home advantage played a big part particularly knowledge of the large and contoured greens.

**Inter Club Matches**
We suffered a 4 -2 defeat at home against Wellshurst but returned to winning ways with a 4 ½ - ½ home win against Horam Park. We have currently won 2 & lost 2

**Knockouts**
Please keep up to date with your knockout matches **Vets Knockouts**

**Rare event**
Huge congratulations to Patrick Bates on hitting a hole in one on the 5th. His name will now be etched on the clubhouse board.

**Even rarer event**
The recent Red heat health warning rightly resulted in the cancellation of the June Stableford for member safety. In 55 years of golf, this is the first time that I have known a competition to be cancelled due to the weather being **TO GOOD!!!!!!**

During the hot weather **PLEASE** ensure that you remain hydrated and take plenty of fluids with you on the course.
